

CREATIVE LISBOA 2021

Summer courses for students aged 14-18

Insurance Policy

All Students must be insured throughout the duration of the Course. The insurance fee is included in the total price of the tuition and it is compulsory for all Students. By accepting the General Terms & Conditions Contract, the Student automatically agrees with the insurance policy and a copy of the document will be made available in the website.

The Student will be at all times insured to cover all consequences and costs of medical treatment, repatriation for medical reasons, personal/public liability, personal accident, damage/loss of luggage when travelling to and from Portugal, and flights booked or cancelled as well as missed connecting flights.

In addition to the above mentioned insurance, if, during the Course or any days spent travelling to or from the Course, EU nationals are entitled to free-at-the-point-of-delivery medical treatment on the Portugal's National Health Service (Sistema Nacional de Saúde), they shall bring with them valid documentation entitling them to access such treatment, such being additional to and not instead of comprehensive insurance.

The Insurance Policy will be available online at www.creativelisboa.pt/policies in due course.
