

CREATIVE LISBOA 2022

Summer Courses for students aged 15-19

Insurance Policy

All Students must be insured throughout the duration of the Course. CREALEARN will work with the insurance company to be determined. The insurance fee is included in the total price of the tuition and it is compulsory for all Students. By accepting this Contract, the Student automatically agrees with the insurance policy and a copy of the document will be made available in the website www.creativelisboa.pt/policies.

The Student will be at all times insured to cover all consequences and costs of medical treatment, repatriation, personal/public liability, personal accident, damage/loss of luggage when travelling to and from Portugal, theft of personal belongings (as long as the event is reported to the police within 24 hours), legal expenses, reimbursement of course fees, and flights booked or cancelled as well as missed connecting flights.

If, during the Course or any days spent travelling to or from the Course, EU nationals are entitled to free-at-the-point-of delivery medical treatment on the Portugal's National Health Service (Sistema Nacional de Saúde), they shall bring with them valid documentation entitling them to access such treatment, such being additional to and not instead of comprehensive insurance.

The Insurance Policy will be available online at www.creativelisboa.pt/policies in due course.
